

SKIBBEREEN COMMUNITY SCHOOL SUBJECT CHOICE ONLINE INPUTTING PROCEDURES

Dear Parent/Guardian

Thank you to all those parents who attended the subject choice information evening. The information discussed on the night is now available on the school website.

Please see below the steps to follow in completing your son/daughter's choices for the next academic year.

Deadline:

- The closing date for inputting choices for 2024 are as follows:

Third Year to Transition Year March 13th 2024

Transition Year to Fifth Year – March 13th 2024

First Year to Second Year – March 20th 2024

- It is of the utmost importance that all choices are made prior to this date in order to ensure that each student gets a free choice and therefore, the best opportunity to study subjects of their choosing.
- After this deadline, the school will use the student's preferences to create subject bands.
- Any student who misses the deadline or wishes to change their choice after the deadline will only be able to choose from the subject preference bands created and will therefore, have a more restricted choice.
